The end of the summer term sees us saying goodbye to three of our lovely senior dancers. All three have danced with us from a very young age. Although it is sad for us to see them go, we are very proud to have been a part of their dance journey. We congratulate them and wish them much success and happiness on their new adventures in musical theatre training. Erin will be greatly missed not only by us, but also by the parents and children of the Thursday and Saturday classes as she was a valued voluntary teaching assistant with us over the last several years. Thank you so much Erin, for your commitment and kindness to all the children and staff you have worked with. We are all very grateful.

Erin is going to Chichester University to study a BA Hons degree in Musical Theatre (Cabaret).

Mia is going to Bird College to study a Foundation degree in Musical Theatre.

Sofia is going to The Brighton Academy to study a BA Hons degree in Musical Theatre.
